Augusta, GA (March 22, 2019) – Peach State FCU is sponsoring Warrick Dunn Charities, Inc.'s (WDC) Homes for the Holidays program, which provides opportunities for economically disadvantaged single parents who have demonstrated a commitment to achieve financial independence and stability.

The credit union has committed to making two \$10,000 contributions to the program this year. The first \$10,000 went to the completion of Homes for the Holidays' 169th recipient, Valencia and her four sons.

The surprise reveal took place on Tuesday, March 19th, with community leaders, volunteers and the media in attendance.

“We are thrilled to partner with Peach State Federal Credit Union to bring our life-changing work to the Augusta community” said Whitney Jackson, Executive Director of Warrick Dunn Charities, Inc. “The ability to make dreams come true for families like Valencia’s is only made possible through partnerships and financial support, and we are grateful for Peach State’s steadfast commitment to our cause.”

“As a Community Development Financial Institution, Peach State shares similar values with Warrick Dunn Charities,” remarked Demitra Houlis, Chief Administrative Officer for Peach State. “Putting an emphasis on financial stability benefits the community as a whole. We’re proud to join Warrick in lifting up and providing resources for those in need.”

The credit union’s second \$10,000 contribution will support an additional Homes for the Holidays recipient in the Augusta market later this year.

About Warrick Dunn Charities

Warrick Dunn Charities, Inc. is committed to improving lives through innovative programming inspired by our Founder's life journey. Since 1997, the Homes for the Holidays program has helped 169 single parents and over 450 children and dependents achieve first-time home ownership. Serving single parent families nationwide, WDC and its partners have helped single parents to combat poverty and hunger and ensure families have basic necessities and comfortable surroundings in order to improve their quality of life.
