July 25, 2018

Dear Member,

We are pleased to announce that the merger between Towns Union Educators Federal Credit Union and Peach State Federal Credit Union was approved during the Special Meeting of Members on July 23, 2018. The financial merger will be effective August 1, 2018. This merger demonstrates a shared commitment on the part of both credit unions' Boards and management to grow stronger and remain highly competitive in today's financial marketplace. By combining our resources, we will be able to provide members with an enhanced selection of products and services.

Having been founded by educators 57 years ago, Peach State remains an education-based credit union while serving hundreds of other Select Employee Groups. Over the years, we have expanded our footprint and now serve more than 57,000 members throughout Georgia and South Carolina.

I take great pleasure in welcoming you to our credit union family. As we transition over the next several months, we plan to make the process as smooth as possible, with minimal impact on your day-to-day banking activities. I also want to assure you that the current Towns Union employees will remain on staff to serve you. As soon as the account transition is scheduled, we will communicate all the specifics, so be sure to keep an eye on your mailbox.

Again, welcome! Our goal is to help you and your family continue to build a financially strong and prosperous future.

Sincerely,

Marshall Boutwell
President / CEO
Peach State Federal Credit Union
