

July 18, 2025

Dear Member,

From October 31, 2025 through November 2, 2025, we will be conducting a system conversion to transfer your accounts from Pinnacle CU to Peach State FCU.

In order to complete this process, the **Ben Mays, Glenwood, and Putnam branches will close early on Friday, October 31st** (exact time TBA). We anticipate reopening for business at 9 a.m. on Monday, November 3rd. At that point, members will have complete access to all of Peach State's products and services, as well as the use of our website at <u>peachstatefcu.org</u>, branch locations, and ATMs. Until this account transfer is complete, please continue to do business at the Ben Mays, Glenwood, and Putnam locations.

Additional information to note:

- Be sure to check out the current account rates. Pinnacle's rates were updated to match Peach State's back in September 2024. At that time, members began earning more dividends than they did prior to the financial merger.
- Closer to the date of the system conversion, you will receive a letter in the mail with your new member/savings account number (checking account MICR numbers will not be changing).
- You will also receive a guide with important details about the system conversion, including specific
 instructions on accessing your new Peach State accounts. Please be on the lookout for both items in the
 mail.
- Enclosed is a copy of Peach State's **Fees and Charges**, which took effect June 1, 2025. The changes to Pinnacle's accounts will take effect November 1, 2025, after the system conversion. Please review this list carefully as some fees will be different from your existing fees.

We look forward to serving you and your family's financial needs! If you have any questions, please call 855.889.4328 to speak with a Member Service Advisor.

Sincerely,

Marshall Boutwell President/CEO

Parshalf

Peach State FCU

- 1 Electronic statements: free | Paper statements: \$4
- 2 These fees are per occurrence, and we will exclude all items identified as repeat presentments from the merchant.
- 3 Fee applies when overdraft is created by check, ACH debit, ATM withdrawal, Debit Card withdrawal or other electronic means.
- 4 The Credit Union will typically cover your overdrafts with the requirement of overdraft amounts being paid back within 45 days of the account balance going negative; however, it is at our discretion whether we pay an item or not. Items that can affect your overdraft privileges are delinquent loan payment history on credit union loans, amount the account is already overdrawn, number of days the account has been overdrawn, and removal of overdraft services (either by us or by you).
